

# VISION

The vision of CAT nghi TEA is to become one of the strong brands in Vietnam, affirming its position in the domestic and international market, contributing to improving the quality of Vietnam's Tea with international friends. Bring back the best core values to consumers and partners by providing good and healthy ingredients.

# MISSION

CAT NGHI TEA's mission is to improve and revolutionize the Vietnamese tea product lines, providing father materials, health care and beauty. At the same time, improve the quality and make a difference in life for all customers and partners. Maintain beauty, create positive values for the art of enjoying tea and elevate the soul of tea lovers
