In coordination with

**Dear Sir/Madam,**

Vietnam is located in the heart of ASEAN with the population of 97 million people and having about 150 million mobile phone subscribers. IT industry revenue in 2020 was 120 billion USD. IT engineers in Vietnam are talented and ranked the 2nd in the ASEAN and 23rd over the world. Vietnam can be a good partner and a very potential market to explore.

**"Boost your company growth and find Vietnamese partners"**
