

HawaExpo 2024: Navigating the World of Possibility in Vietnam's Largest Furniture Fair

Discover the Gateway to Vietnamese Furniture Excellence at HawaExpo 2024

HawaExpo 2024 is set to be the most remarkable exhibition in Vietnam's furniture industry, embodying the theme of "Navigating the world of possibility." This one-of-a-kind event aims to support businesses in harnessing the full potential and advantages of Vietnam. With its extensive offerings and unparalleled opportunities, HawaExpo 2024 is the ultimate platform for connecting with a multitude of exhibitors and discovering the best of made-in-Vietnam manufacturers.

A Grand Showcase of Excellence

Prepare to be amazed as you encounter over 700 exhibitors at HawaExpo 2024, with an impressive 50% being new exhibitors showcasing the finest creations from Vietnam's manufacturing sector. Explore more than 3,000 booths and showcases, spanning an expansive area of 56,000 square meters. As part of this extraordinary event, you will have the chance to engage with 30,000 buyers and visitors from 200 countries and regions, making it an ideal opportunity to tap into the heart of the Asia furniture fair chain.

Unveiling Bespoke Locations for Unparalleled Exploration

HawaExpo 2024 takes pride in presenting a panoramic view and boundaryless exploration through its three **BESPOKE LOCATIONS**. These carefully curated spaces have been designed to cater to your specific demands, ensuring a truly customized experience. Located at the top three most prestigious and largest expo halls in Ho Chi Minh City and Binh Duong, each venue offers a unique perspective on Vietnam's thriving furniture industry.

- **Connect Hall:** A hub that embodies the entire supply chain of Vietnam's furniture industry. Immerse yourself in the vibrant ecosystem where manufacturers, suppliers, and distributors converge, fostering fruitful collaborations and business partnerships.
- **Create Hall:** Step into a world of interior design and innovation. Discover the latest trends, innovative concepts, and cutting-edge solutions that redefine the boundaries of creativity within the furniture industry. Be inspired by visionary designs that harmonize aesthetics with functionality.

- **Craft Hall:** Embark on a journey through all-sized manufacturers, providing you with the shortest route to factory visits. Experience firsthand the meticulous craftsmanship and attention to detail that goes into every piece of furniture created in Vietnam. Gain valuable insights into the manufacturing processes and witness the passion that drives this industry forward.

The Great Fusion: Showcasing the Vibrancy and Essence of Vietnam's Wood and Furniture Industry

At HawaExpo 2024, immerse yourself in the "nowness" vitality and essence of Vietnam's wood and furniture industry. This exceptional event offers a comprehensive catalogue of local industry offerings, covering a wide spectrum of products and services:

Multi-Space Furniture: Explore furniture solutions that seamlessly blend with various indoor and outdoor environments, catering to diverse needs ranging from home living to hospitality settings.

Original Design to Massive Production: Witness the evolution from original design concepts to large-scale production. Experience the transformation of ideas into tangible products that captivate with their beauty and functionality.

Lifestyle and Home Accessories: Discover a plethora of lifestyle products, home accessories, and exquisite gifts. Experience the artistry of Vietnamese craftsmanship through unique souvenirs that reflect the rich cultural heritage of the country.

Materials, Hardware, and Related Services: Delve into a world of materials, hardware solutions, and related services that complement the furniture industry. Uncover the essential components that contribute to the creation of exceptional furniture pieces.

HawaExpo 2024 is your gateway to unlocking the vast potential of Vietnam's furniture industry. Join us at this unparalleled event where possibilities become realities, connections flourish, and inspiration knows no bounds.
