

## Shook Lin &amp; Bok LLP and Vietcombank

## Joint Investment Forum 2022

## Investment &amp; Financing Trends and Opportunities in Vietnam

Tuesday, 25 October 2022  
1.30pm – 5.30pm

**Synopsis**

Vietnam has witnessed strong economic expansion and growth of between 5-8% annually for the last two decades. The Southeast Asian industrial powerhouse will likely continue to grow with a stable flow of foreign investments and capital inflows in the foreseeable future. Industry experts comprising of state investment authorities from Vinh Phuc province (a strategic economic zone of Northern Vietnam), financial institutions, and lawyers will share their thoughts on the investment and financing trends and opportunities in Vietnam as well as some of the current financial, legal, and regulatory issues.

**Content**

- Vietnam as the next investment hub in Southeast Asia and opening remarks by Mr Le Duy Thanh, Chairman of Vinh Phuc's Provincial People's Committee
- Overview of Vietnam-linked transactions in recent years
- ESG investment and financing opportunities – the future of Vietnam's renewable energy
- Foreign direct investment (FDI) and foreign indirect investment (FII) in Vietnam – macroeconomic trends, investment opportunities, and available financial services/products
- Investment opportunities and outlook in Vinh Phuc province as a strategic economic zone in Vietnam – sectorial demand for FDI and regulatory approach and attitude towards FDI
- Impact of Vietnam's foreign exchange regulations on inbound investment and cross-border financing transactions from a Vietnamese law perspective by VILAF
- Panel discussion - foreign investments in Vietnam (financial, legal and regulatory issues)
