FRESH PRODUCE FOR YOU AND YOUR FAMILY

# VINECO COMPANY PROFILE AND PRODUCT CATALOGUE

# ABOUT THE COMPANY

**VinEco Agricultural Investment, Development and Productions LLC.**, officially joined the agricultural industry on March 19, 2015 with the total registered capital of 4 trillion Vietnam dong (equivalent to approximately USD 200 million), employing more than 500 staff members and thousands of local laborers, cultivating on almost 3000 hectares of farmland. We provide safe and high quality products to the domestic market via such distribution channels as VinMart supermarket chain, VinMart+ convenience stores chain, online distribution channel, as well as through direct selling to consumers.

VinEco farms comply strictly with VietGAP, GlobalGAP, HACCP and GMP standards for safe products in all processes from planning to cultivation, harvesting, processing and distributing.

VinEco's farms locates throughout Vietnam in tropical and temperate climate zones, applying modern technologies on large-scaled open fields and modern greenhouses for best efficiency of production, with the aim of supplying all markets with diversified products including fresh vegetables, fruits, mushrooms, flowers and medicinal plants..

# ABOUT THE COMPANY

## VISION

To become Vietnam's leading company in producing and supplying modern, sustainable and high-quality vegetables and fruits.

## MISSION

To commit to providing safe and nutritious agricultural products with the highest quality for the good health of Vietnamese people and future generations, then to foster and to spread the culture of clean agricultural production; simultaneously, heighten the reputation of Vietnam's agricultural products in global market.
