ABOUT US

With the famous brand name in supplying natural rubber, “DAKRUCO” is a well-known company in the world for over 25 years.

Supplying high quality products and prestige are our primary business motto.

Besides, our company is also expanding to access in agricultural exports utilizing high technology with total areas of over 500 hectares.

In which, banana area is 122,79 hectares, having a capacity of over 5,500 tons annually.

DAKRUCO is certified by Quality Management Systems ISO 9001:2015 and Environment Management Standard ISO 14001:2015.

It is one of the most important factors that make the brand name “DAKRUCO” and affirms our reputation.

Growing in highland area with the cooler temperatures create the special taste of Dakruco’ banana.
